SUMMARY

Java Full Stack Developer with hands-on experience building secure and scalable web applications using Java, Spring Boot, React.js, MySQL, REST APIs, Spring Security, JWT authentication, and Razorpay payment integration. Experienced in developing user-focused applications and solving real-world problems.

SKILLS

- Java, Java 8/11
- Collections, Streams & Lambda
- Multithreading
- Spring Boot & Spring MVC
- Hibernate & JPA
- Microservices & REST APIs
- Spring Security & JWT
- MySQL & Oracle
- HTML5, CSS3
- React.js & JavaScript
- AWS (EC2, S3, RDS)
- Docker & Kubernetes
- Git, GitHub, Maven, Jenkins
- Postman & Swagger/OpenAPI
- IntelliJ IDEA & VS Code

EXPERIENCE

Full Stack Developer Intern

Feb 2025 – Aug 2025

Ashok IT, Hyderabad

- Developed and maintained full-stack web application features using Java, Spring Boot, React.js and MySQL.
- Designed and integrated 10+ RESTful APIs for authentication, menu, cart, order and payment workflows.
- Implemented role-based authentication and authorization for 2 user roles, Admin & Customer, using Spring Security.
- Developed frontend components and integrated them with 10+ backend REST APIs for menu, cart, order etc.
- Implemented OTP-based email verification and secure password recovery workflows to strengthen account security.
- Integrated Razorpay payment gateway supporting 3 payment methods: UPI, cards and digital wallets.
- Tested and documented 10+ RESTful APIs using Postman and Swagger/OpenAPI to validate request and response.
- Used Git and GitHub for source-code management and collaborative development throughout the project lifecycle.

PROJECTS

Online Food Ordering System

Academic Project

- Built full-stack food ordering application using Java, Spring Boot, React.js and MySQL with Admin & Customer roles.
- Implemented 6 core modules: authentication, menu, cart, orders, payments and email verification.
- Developed shopping cart functionality with quantity management, order summary and order history.
- Built an Admin Dashboard managing 4 core modules: food items, categories, inventory and customer orders.
- Implemented OTP-based email verification and secure password hashing for account security.
- Integrated Razorpay payment gateway supporting UPI, cards and digital wallets.

EDUCATION

- **M.Sc. Information Technology** – Pt. Ravishankar Shukla University 2023 – 2025
- **B.Sc. Computer Science** – Pt. Ravishankar Shukla University 2021 – 2023

CERTIFICATIONS

- **Java Full Stack Developer Certificate** – Ashok IT, Hyderabad Feb 2025 – Aug 2026
- **Computer Hardware & Networking** – Bank of Baroda RSETI Jun 2023 – July 2023
